MCRC ANNOUNCEMENTS

THANK YOU

Thank you for all of the prayers, concern, and uplifting for Don. His surgery went very well, and it looks like all of the infection was removed. He has very little pain and is doing extremely well. Our MCRC family has truly been a wonderful blessing. Praise the Lord for his healing and his faithfulness.

~ Don and Cecilia Vaniman

TO MY COMMUNITY,

There are no words to describe the thankfulness in my heart. You all have shown such community love and support of my family in this tragedy. Thank you all so very much. For me thank you just does not seem enough for all the grace you have shown us. God has truly shown his mightiness through all of you. My family has been blessed beyond my own comprehension. Psalms 71:20 Reads, "You have allowed me to suffer much, but you will restore me to life again and lift me up from the depths of the earth." Our God is mighty and holds to his promises. My family is continuing to trust in our Savior, for he directs our path. I cannot express my gratitude enough, and I am so very thankful to live in such an amazing community. We are so very grateful for each gift, big and small; every act of kindness has affected my life. From my heart to all of yours, thank you and God bless. ~ April Callantine

PRAYER REQUESTS

CHURCH FAMILY

Please keep **Kaycie and Darren Braaksma** in your prayers as Kaycie prepares for a very major surgery on February 16, in Cincinnati, Ohio, related to a breathing issue. After the corrective procedure Kaycie will remain in Cincinnati for two weeks to heal and full recovery could take up to 6 months. Please pray that the surgery will be successful, and that God would give both Kaycie and Darren much strength through this time!

Don Vaniman's surgery on his sinuses went very well. He had quite a bit of pain after surgery which was to be expected, but he is feeling much better now. The doctors feel that all of the infection has been removed! He will remain on antibiotics as he rests and heals.

Cassi Visser has been quite sick and very exhausted and was diagnosed with mono. Please pray for her recovery – that the medications will be effective in restoring her to good health.

Sheila Heidema had a lung scan and an MRI done on her brain this past Thursday. The lung scan showed improvement since October so she will continue with the same chemo. We won't know the results of her brain MRI until her neurologist in Billings can review them. Thank you all for your prayers!

Please pray for the **women in our church who are expecting**; pray for good health and that the pregnancies will go smoothly.

Pray for health and strength for **Chip Kamerman** and **Gary Bos**.

Rob & Julie Hager thank you for your faithful and continued prayers. Pray for strength and wisdom as they deal with Rob's health.

Remember to pray for all our senior church members who are living in various retirement homes: **Ethel Dykstra**, **Grace Douma**, **Jerita Andriesen**, and **Joan Van Dyk** (in Personal Care at the Churchill

Retirement Home), **Pete Blanksma** and **Alice Van Dyken** (at Spring Meadows Assisted Living), **Lila Douglas** (in her home at 8074 Churchill Rd.).

Please pray for our part-time staff: **Jim & Bonnie Potts**, **Deb Flikkema**, **Jana Van Dam**, **Kathy Eekhoff**, **Lisa Heidema**, and **Robert Poelman**.

Pray for **Kyle De Boer** and his duties as Youth Director.

Keep **Pastor Tim and Heidi** in your prayers as they minister with us.

Be in prayer for our **Council members**.

EXTENDED CHURCH FAMILY & COMMUNITY

Please continue to pray for **Jim Swets**. He is back from SLC and on a feeding tube. He is still very weak and tired. The cysts have shrunk by 50% and they have redone the stint to drain the fluid from the cyst. Doctors are amazed that he is not experiencing extreme pain. Jim is very thankful to God for no pain and for our faithful prayers on his behalf. He will go back to SLC in a couple weeks.

Give thanks that **Sharon Danhof** was approved for a bone marrow transplant around Feb. 22. Pray for her as she goes through chemo and other preparations to get ready for this.

Please pray for **Kim**, the pregnant wife of a co-worker of Daniel Van Kley. She fell on the ice and is now on bed rest. Pray that both mother and baby will stay healthy and well.

From Steve and Jennifer Sofie: "Church family please keep praying for **Michael Coulson's family**. His brain tumor has grown back and they can't do radiation or chemo. He is passing quickly and the teenagers and his wife are really struggling. Please pray for peace and comfort during this very difficult time. Thank you."

Pray for those serving in the military. Give thanks that **Christopher Kamerman** returned safely from Afghanistan and is now stationed in Colorado.

SUPPORTED MISSIONARIES & THE GLOBAL CHURCH

Isaac Maletougou, the 6 year old son of **Sosthene and Kara**, is home and recovering well from his meningitis. Please pray for them as they have returned to Africa. Pray for safety in travel, good health and a smooth adjustment to their move.

From **Rick (and Becky) Luth**: "I wanted to take a moment to thank you all for your prayers during this time of dealing with my father's passing away. It has not been easy being apart but I have had a number of opportunities to share with the people here about why I remained here and how it is that I am okay with not being there for my father's funeral. . . . please pray for all these opportunities to result not only in favor for us and our work, but favor, wonder and curiosity in their hearts for who is this Jesus."

Be in prayer for **Mark Eekhoff** and his work in Nairobi, Africa. **Give thanks** for his safety during the recent terrorist attack. The attack happened near the route that he often drives out of Nairobi, but he was in a different city at the time. Please pray for his continued safety as he works there.

Please pray for **Mark and Jennifer Underhill** and their work with Cru in East Asia.

Pray for **Lauren and Connie Runia** and their work in translation for Wycliffe. They will be going to the Solomon Islands in February to work with the media team there. They ask for prayers for safe travel, good health, and unity as they work together with those coming to dub the Genesis video.

Please pray for **Daryl VanDyken** as he left for Central Asia, for two weeks (first of three similar trips this spring) to work on installing the new Silk Road Transmitter. Problem is, it's not 'new' to TWR – it's used, which means a lot of tuning and bringing it up to specifications. Also, it's sustained water damage by sitting in the container so long over the past year. He and Ruedi, the Swiss engineer, and another TWR engineer from ESwatini would appreciate your prayers during this time!

Remember to pray for **Will and Dorothea Kirkendall** as she works as Prayer Coordinator for Wycliffe. Pray for **John Westra** as he visits prisoners and leads Bible study with Bozeman Prison Ministries.

Pray for the work that **Pastor Jack** does in the Bozeman prison, as well as the Montana State Prison at Deer Lodge.

DO YOU HAVE AN UPDATE FOR THE PRAYER LIST?
